Tank Testing. Customer acknowledges that the Equipment may have contained Regulated Materials in the past. Customer may, at Customer's expense, test the Equipment for the presence of residual amounts of Regulated Materials prior to taking possession of the Equipment. In the event that residual amounts of Regulated Materials are detected in the Equipment by preliminary testing, Customer may notify Ferri Equipment Inc and request new Equipment, or Customer may terminate the rental. If Customer elects to continue use of the Equipment or elects not to test the Equipment, Customer will be bound by the terms set forth herein and waives any right to object to the presence of Regulated Material in the Equipment resulting from any prior use and agrees that the Equipment is suitable for Customer's intended use. Upon expiration or termination of the Rental Period, but before the Equipment is returned to Ferri Equipment Inc, Customer shall, at Customer's sole expense, remove all Regulated Materials from the Equipment and clean the Equipment to one of the following

standards: (i) for Hazardous Substances: to the RCRA "empty" condition, as defined in 40 C.F.R. § 261.7(b)(3) ("RCRA Empty Condition"); or (ii) for DOT Hazardous Materials, PCBs, Radioactive Materials, or Infectious Materials: to Non-detect contamination levels ("NDCL").

Prior to return, Customer shall clean the Equipment in accordance with the following requirements: (i) Cleaning must be performed by an independent contractor acceptable to Ferri Equipment Inc; (ii) it must be documented to Ferri Equipment Inc's satisfaction; (iii) When a NDCL is required, Equipment must be triple-rinsed using a solvent capable of removing Regulated Materials, then purged to remove any vapors. Equipment can also be cleaned by another method capable of achieving equivalent removal to a NDCL; (iv) For Radioactive Materials, cleaning must comply with cleaning procedures set forth in the U.S. Nuclear Regulatory Commission's ("NRC") Regulatory Guide 1.86 to achieve a NDCL; and (v) the independent contractor must certify that the cleaning meets the above specifications.

Sampling. After cleaning, Customer will confirm the Equipment's RCRA Empty Condition or NDCL, as applicable, by obtaining a professional written laboratory analysis of representative samples taken from various internal parts of the Equipment. Customer agrees the sampling must be: (i) performed by an independent contractor acceptable to Ferri Equipment Inc; (ii) documented to Ferri Equipment Inc's satisfaction; (iii) taken from various internal parts of the Equipment including at a minimum, the floor, the underside of various cross-braces, and each wall ("Representative Samples"); (iv) conducted in the presence of and pursuant to the direction of a designated employee of Unite Customer agrees to contact Ferri Equipment Inc to schedule an appointment for an employee of Ferri Equipment Inc to witness the sampling not less than ten (10) business days prior to the termination of the rental term. For intermodal, roll-off, and vacuum container Equipment, in addition to the above requirements, Customer agrees that: (vi) Initially, 20% of the intermodal, roll-off, or vacuum container Equipment rented by Customer will be tested by the third-party laboratory. Based on satisfactory initial sampling results, and Ferri Equipment Inc's sole discretion, that figure may be reduced to 10%, random sampling; (vii) If liners are not used, or if any intermodal, roll-off or vacuum container Equipment fails the testing procedures outlined in Section 3(b), then 100% sampling of all intermodals, roll-offs or vacuum container equipment will be required.

Sample Analysis. Customer agree that the analysis of the sampling must: (i) be performed by a laboratory acceptable to Lessor that is certified to perform such

analysis by the state in which the Equipment is located; (ii) be documented to Lessor's satisfaction, and must include a record of the chain of custody for the Representative Samples; (iii) meet or exceed protocols established by the U.S. Environmental Protection Agency ("EPA") or the NRC, as applicable.

Return. Customer shall return the Equipment in a RCRA Empty Condition or NDCL in accordance with the terms set forth herein. If the Equipment does not meet the standard, Customer will undertake additional cleaning of Equipment, in accordance with all applicable law, to meet the standard, and will provide Ferri Equipment Inc with written evidence of same. Ferri Equipment Inc will not pick up the Equipment and Customer will continue to pay rental charges until the Equipment has been cleaned to the standards specified herein. In the event that Customer is unable to clean the Equipment in accordance with the terms set forth herein, Customer shall pay Ferri Equipment Inc for the full replacement value of the Equipment, plus any applicable taxes. Customer agrees that in such event it assumes full ownership of and responsibility for the Equipment and any residual contents and all related liability for the management, transportation and disposal of such Equipment in accordance with all applicable laws. Customer agrees that it shall be the generator of any hazardous, solid, or radioactive waste generated as a result of Customer's failure to return the Equipment in a RCRA Empty Condition or NDCL, and of any residual materials resulting from Customer's attempt to clean the Equipment. Customer further agrees to indemnify, defend and hold Ferri Equipment Inc harmless for any liability incurred by Ferri Equipment Inc as a result of Customer's breach of its obligations in this Section or as a result of Ferri Equipment Inc being deemed a "generator" under applicable environmental laws. The foregoing indemnity obligation shall survive the termination or expiration of this Agreement.

8. Compliance with applicable laws

Customer shall, at Customer's sole expense, comply with all applicable municipal, state, and federal laws, ordinances and regulations (including but not limited to those relating to worker safety or the environment), building and zoning codes, professional licenses, and licenses and permits which may apply to the use of the Equipment ("Licenses and Permits"). Licenses and Permits include, without limitation, the discharge of treated water, and disposal of waste or spent Specialty Media or other materials, and security, traffic control and road crossings associated with the use of the Equipment. When transporting Non-Hazardous Waste, Ferri Equipment Inc shall not be deemed to have taken license of any Non-Hazardous Waste and Customer shall remain the generator of such waste. Customer shall be subject to the provisions of Section 7(B) if any materials being transported are "Regulated Materials" as defined therein. Customer shall ensure

that the Equipment at all times remains movable personal property. Customer shall not permit or allow the Equipment to be incorporated, attached or joined to any real or immovable property such that it causes the Equipment to be deemed a fixture.

9. Warranty/ Disclaimer of warranties

FERRI EQUIPMENT INC WARRANTS THAT THE EQUIPMENT WILL BE IN GOOD WORKING ORDER UPON DELIVERY AND THE SERVICES WILL BE PERFORMED IN A GOOD AND WORKMANLIKE MANNER. EXCEPT AS EXPRESSLY SET FORTH HEREIN, FERRI EQUIPMENT INC MAKES NO WARRANTIES, EXPRESS OR IMPLIED WITH RESPECT TO THE EQUIPMENT, SPECIALTY MEDIA, OR SERVICES AND MAKES NO WARRANTIES AS TO THE MERCHANTABILITY OF THE EQUIPMENT OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, INCLUDING THE PERFORMANCE OF ANY FILTRATION EQUIPMENT TO MEET ANY APPLICABLE REGULATORY STANDARD. THERE IS NO WARRANTY THAT THE EQUIPMENT IS SUITED FOR CUSTOMER'S INTENDED USE, OR THAT IT IS FREE FROM DEFECTS OR CONTAMINANTS. EXCEPT AS MAY BE SPECIFICALLY SET FORTH IN THE AGREEMENT, FERRI EQUIPMENT INC DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, MADE IN CONNECTION WITH THIS RENTAL TRANSACTION. IN THE EVENT OF A BREACH OF THE ABOVE EQUIPMENT WARRANTY, FERRI EQUIPMENT INC SHALL, AT ITS SOLE COST AND EXPENSE, REPAIR OR REPLACE THE EQUIPMENT. IN THE EVENT OF A BREACH OF THE ABOVE SERVICE WARRANTY, FERRI EQUIPMENT INC SHALL, AT ITS SOLE COST AND EXPENSE, RE-PERFORM THE SERVICE.

10. Malfunctioning equipment

Should the Equipment be involved in an accident, become unsafe, malfunction or require repair, Customer shall immediately cease using the Equipment and immediately notify Ferri Equipment Inc. If such condition is the result of normal operation, Ferri Equipment Inc will repair or replace the Equipment with reasonably similar Equipment in working order, if such replacement Equipment is available. Ferri Equipment Inc has no obligation to repair or replace Equipment rendered inoperable by misuse, abuse or neglect. Customer's sole remedy for any failure or defect in Equipment shall be the termination of any rental charges accruing after the time of failure. Customer must return the Equipment to the Store Location within twenty-four (24) hours from the time of defect in order to terminate rental charges.

11. Return of equipment/ Damaged & lost equipment

At the expiration of the Rental Period, Customer will return the Equipment to the Store Location during Ferri Equipment Inc's regular business hours or if Ferri Equipment Inc has agreed to pick up the Equipment, Ferri Equipment Inc shall endeavor to pick up the Equipment within a commercially reasonable period of time after Customer notifies Ferri Equipment Inc that the Equipment is called "off rent." Customer is obligated to restore the Equipment to the same condition as when delivered, reasonable wear and tear (as defined below) excepted. Tanks shall be empty of all contents as required by any applicable federal, state or local regulation, including but not limited to those set forth in the Resource Conservation and Recovery Act ("RCRA"). Customer shall be responsible for all damages to or loss of the Equipment from the time the Equipment leaves the Store Location until the Equipment is either returned to the Store Location, including any damage during transit to or from Customer, or picked up by Ferri Equipment Inc. In the case of the loss or destruction of any Equipment, or inability or failure to return same to Ferri Equipment Inc for any reason whatsoever, Customer will pay Ferri Equipment Inc the then full replacement list value of the Equipment together with the full rental rate as specified until such Equipment is replaced. If the Equipment is returned in a damaged or excessively worn condition, Customer shall pay Ferri Equipment Inc the reasonable cost of repair and pay rental on the Equipment at the regular rental rate until all repairs have been completed. Ferri Equipment Inc shall be under no obligation to commence repair work until Customer has paid to Ferri Equipment Inc the estimated cost therefor. Customer agrees that Ferri Equipment Inc reserves the right to charge the Credit Card and/or Customer's account for any amount owed by Customer pursuant to this section due to damaged or lost Equipment.

Disinfecting: During a widespread or global occurrence of an infectious disease, for Equipment handled by a person known or suspected to be infected or used in a known or suspected zone of infection including but not limited to permanent or temporary healthcare facilities and testing facilities, ambulance interiors, and biological laboratories, Customer shall disinfect the Equipment in accordance with the following requirements: (i) disinfection must be performed by an independent contractor acceptable to Ferri Equipment Inc; (ii) it must be documented to Ferri Equipment Inc's satisfaction; (iii) in the event Customer is unable to disinfect in accordance the Equipment, Ferri Equipment Inc will disinfect it and charge Customer for the costs incurred.

12. Reasonable wear and tear

Reasonable wear and tear of the Equipment shall mean only the normal deterioration of the Equipment caused by ordinary and reasonable use on a one -shift basis (as defined in Section 14 below). The following shall not be considered reasonable wear and tear:

(i) damage resulting from lack of lubrication, insertion of improper fuel or maintenance of necessary oil, water and air pressure levels; cavitation; or freezing; (ii) except where Ferri Equipment Inc expressly assumes the obligation to service or maintain the Equipment, any damage resulting from lack of servicing or preventative maintenance suggested in the manufacturer's operation and maintenance manual; (iii) damage resulting from any collision, overturning or improper operation, including overloading or exceeding the rated capacity of the Equipment; (iv) damage in the nature of dents, bending, tearing, staining, corrosion or misalignment to or of the Equipment or any part thereof; (v) wear resulting from use in excess of shifts for which rented; and (vi) any other damage to the Equipment which is not considered ordinary and reasonable in the equipment rental industry.

13. Late return

Customer agrees that if the Equipment is not returned by the end of the Rental Period, or if the Tanks are not in RCRA Empty Condition (as defined below) when Ferri Equipment Inc comes to the Customer site to pick up the Tanks, Ferri Equipment Inc, in its sole discretion, may require Customer to do any of the following: (A) continue to pay the rental rate(s) applicable to the Equipment as specified in the Agreement; (B) for periods less than 24 hours, pay the full daily rental rate applicable to the Equipment; (C) pay any increased rental rate(s) in effect at the time of, or after, the expiration of the Rental Period; or (D) assess a pickup charge if the Tanks are not in RCRA Empty Condition. Customer agrees that Ferri Equipment Inc reserves the right to charge the Credit Card, and/or Customer's account for any amount owed by Customer pursuant to this section due to late return of Equipment.

14. Rental period/ Calculation of charges

Rental charges commence when the Equipment leaves the Store Location and end when the Equipment is either returned to the Store Location during Ferri Equipment Inc's regular business hours or picked up by Ferri Equipment Inc after Customer notifies Ferri Equipment Inc that the Equipment is "off rent" and obtains an "off rent" confirmation number from Ferri Equipment Inc. Pick-up and delivery by Ferri Equipment Inc is subject to a "Delivery and Pick-up Service Charge," the amount(s) of which are disclosed on the Rental and Service Agreement. Notwithstanding anything to the contrary in the preceding sentence, for the rental of Tanks, the rental period continues until Customer has emptied the Tanks of all contents and cleaned the Tanks in accordance with all applicable regulations, including but not limited to RCRA ("RCRA Empty Condition") and any equivalent state clean-up laws. Rental charges do not include the cost of the Refueling Service Charge, any applicable Taxes (as defined

below), the Delivery and Pickup Service Charge, transportation surcharges, the cost of the Environmental Service Charge or other miscellaneous charges, the amount(s) of which are disclosed on the Rental and Service Agreement. Additionally, Ferri Equipment Inc shall invoice Customer for any additional excess cleaning or repair costs, including: (i) removal of any alterations made by Customer to the Equipment; (ii) restoration of the Equipment to its original configuration; (iii) re-lining or re-painting of Tanks; (iv) disposal of any contents left in Tanks; or (v) transportation to and from an approved repair facility. As set forth herein, "Taxes" shall mean sales tax, goods and services tax, property taxes (including, without limitation, the Estimated Personal Property Tax Reimbursement Charge) or other taxes, levies and assessments required to be collected by Ferri Equipment Inc from Customer at any time upon, or in respect of, the Equipment and/or this Agreement. Rental charges accrue during Saturdays, Sundays and Holidays. Rental rates are for normal "one-shift" usage based on an eight (8) hours per day, 40 hours per week and 160 hours per four-week period. On power equipment, operations in excess of one shift will be as follows: one and one-half times the rental charge for double shift and two times the rental charge for triple shift. Customer will truthfully and accurately certify to Ferri Equipment Inc the number of shifts the Equipment was operated. Customer's right to possess the Equipment terminates on the expiration of the Rental Period and retention of possession after this time is a material breach of the Agreement. TIME IS OF THE ESSENCE OF THE AGREEMENT.

15. Refueling service charge

Customer acknowledges that a "Refueling Service Charge" will be applied to all Equipment not returned with a full tank of fuel. The exact cost of the Refueling Service Charge may vary depending on the rate being charged by the Store Location on the date Customer returns the Equipment. Customer acknowledges that the Refueling Service Charge is not a retail sale of fuel. Customer may avoid the Refueling Service Charge if Customer returns the Equipment with a full tank of fuel.

16. Environmental service charge

Due to the hazardous nature of some waste and other products, to comply with federal and state environmental regulations, and to promote a clean environment, Ferri Equipment Inc charges an Environmental Service Charge for certain rentals. The Environmental Service Charge is not a government-mandated charge, is not designated for any particular use, and is used at Ferri Equipment Inc's discretion. The Environmental Service Charge is 2.00% of the rental total. Customer acknowledges the items indicated above are subject to the Environmental Service Charge and Customer agrees to pay that Charge.

17. Deposit and payment

A. DEPOSIT: In addition to securing the payment of rental charges hereunder, Customer agrees that any rental deposit shall be deemed to be a guarantee by Customer of the full and complete performance of each and all of the terms of this Agreement to be performed by Customer. In the event of any breach by Customer, the deposit will be credited against any damages, cost or expense incurred by Ferri Equipment Inc as a result of the breach.

B. PAYMENT: All amounts due hereunder shall be payable in full upon receipt of invoice by Customer. Customer acknowledges that timely payment of rental and service charges is essential to Ferri Equipment Inc's business operations and it would be impractical and extremely difficult to fix the actual damages caused by late payment. Customer and Ferri Equipment Inc agree that there shall be added to all past due rental charges a late payment fee equal to the lesser of two percent (2%) per month (24% per annum) on any such payments outstanding after 30 days, or the maximum amount allowed by applicable law. Effective January 1, 2021 and where permitted by law, Ferri Equipment Inc may impose a surcharge of 3% for credit card payments on charge accounts. This surcharge is not greater than Ferri Equipment Inc's merchant discount rate for credit card transactions and is subject to sales tax in some jurisdictions. Rental rates do not include sales tax, goods and services tax or other taxes, levies and assessments required to be collected by Ferri Equipment Inc from Customer at any time upon, or in respect of, the Equipment and/or the Agreement (collectively, "Taxes").

Customer agrees that Ferri Equipment Inc reserves the right to charge the Credit Card and/or Customer's account for any amount owed by Customer pursuant to this section due to late or past due payment(s) or rental charges or Taxes. In the event Customer asserts that a transaction is exempt from Taxes, Customer agrees to provide a valid tax exemption certificate. Should the transaction later be deemed taxable, Customer is obligated to reimburse Ferri Equipment Inc for any Tax assessed that was attributable to Customer.

18. Title/ No purchase option/ No liens

With the exception of Specialty Media, the Agreement is not a contract of sale, and title to the Equipment shall at all times remain with Ferri Equipment Inc. Unless covered by a specific supplemental agreement signed by Ferri Equipment Inc, Customer has no option or right to purchase the Equipment. Customer shall keep the Equipment free and clear of all mechanics and other liens and encumbrances.

19. Tire and tube repair or replacement

Repair or replacement of tires and tubes on Equipment is the responsibility of Customer and is not included in the rental rate.

20. Default

Customer shall be deemed in default should Customer fail to pay any amount when due hereunder; fail to perform, observe or keep any provision of the Agreement; become "Insolvent" (as defined herein), or should Ferri Equipment Inc anticipate that Customer may become Insolvent; or otherwise, be in default. If Customer is in default, Ferri Equipment Inc may do any one or more of the following: (i) terminate the Rental Period; (ii) declare the entire amounts due hereunder immediately due and payable and commence legal action therefor; (iii) cause Ferri Equipment Inc's employees or agents, with notice but without legal process, to enter upon Customer's property and take all action necessary to retake and repossess the Equipment, and Customer hereby consents to such entry, re-taking and repossession and hereby waives all claims for damages and losses, physical and pecuniary, caused thereby and shall pay all costs and expenses incurred by Ferri Equipment Inc in retaking and repossessing the Equipment; or (iv) pursue any other remedies available by law. Customer shall be considered "Insolvent" if Customer shall generally not pay, or be unable to pay, or admit its inability or anticipated inability to pay its debts as such debts become due; make an assignment for the benefit of creditors, or petition or apply to any court or tribunal for the appointment of a custodian, receiver, or trustee for it or a substantial part of its assets; commence any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, or liquidation law or statute of any jurisdiction, whether now or hereafter in effect; have had any such petition or application filed or any such proceeding commenced against it in which an order for relief is entered or an adjudication or appointment is made; or take any action indicating its consent to, approval of or acquiescence in any such petition, application, proceeding or order for relief or the appointment of a custodian, receiver or trustee for all or any substantial part of its properties.

Customer agrees to maintain and carry, at Customer's sole cost, the following insurance: (i) commercial auto liability insurance with at least a per occurrence limit of

\$2 million; (ii) commercial general liability insurance ("CGL") (providing coverage equal to or greater than the standard ISO CG 00 01 12 04 form) with limits of insurance not less than \$2 million per occurrence and \$4 million in the aggregate; and (iii) property insurance for the full replacement cost of the Equipment, including coverage for all risks of loss or damage to the Equipment. Customer shall obtain insurance policies that provide, or are endorsed to provide, that all insurance required hereunder is primary and non-contributory to any other insurance maintained by Ferri Equipment Inc. Customer shall name Ferri Equipment Inc as an additional insured for claims arising out of the maintenance, operation, or use by the Customer of equipment rented to Customer by Ferri Equipment Inc (providing coverage equal or greater than the standard ISO CG 20 28 07 04 or its equivalent), and, if applicable, additional loss payee for property insurance. Customer further agrees that the amount of insurance available to Ferri Equipment Inc shall be for the full amount of the loss up to policy limits of liability and shall not be limited to the minimum requirements of this Agreement. In the event any policy provided in compliance with this Agreement states that the insurance afforded to an additional insured will not be broader than that required by contract, or words of similar meaning, Customer agrees that nothing in this Agreement is intended to restrict or limit the breadth of such insurance. Any deductibles or self-insured retentions shall be the sole responsibility of the Customer. All insurance required by this Agreement shall include a waiver of rights of recovery against Ferri Equipment Inc or its insurers by the Customer and its insurers, as well as a waiver of subrogation against Ferri Equipment Inc or its insurers. The policies required hereunder shall provide that Ferri Equipment Inc must receive not less than 90 days' notice prior to any cancellation. Customer shall provide Ferri Equipment Inc with documented proof of all required insurance coverage. FOR RENTAL OF EQUIPMENT NOT LICENSED FOR ROAD USE, CUSTOMER MUST EITHER (i) ELECT TO NAME FERRI EQUIPMENT INC AS LOSS PAYEE EVIDENCING PROPERTY INSURANCE COVERAGE, OR (ii) ELECT TO PURCHASE THE RENTAL PROTECTION PLAN.

22. No assignment, lending or subletting

Customer shall not sublease, subrent, assign or loan the Equipment without first obtaining the written consent of Ferri Equipment Inc, and any such action by Customer, without Ferri Equipment Inc's written consent, shall be void. Customer agrees to use and keep the Equipment at the job site set forth in the Agreement unless Ferri Equipment Inc approves otherwise in writing. Ferri Equipment Inc may at any time, without notice to Customer, transfer or assign the Agreement or any Equipment or any moneys or other benefits due or to become due hereunder.

Unless specifically agreed to in the Scope, Customer, at its cost and expense, shall obtain all required building and construction permits, inspections, or certificates, as well as any permissions and authority necessary to perform the Fluid Solutions Services. If the type of liquid, including its constituents and other characteristics (for example, viscosity, turbidity), the volume or the rate of flow (whether due to weather or other factors not specifically under Ferri Equipment Inc's control), or any other material information on which Ferri Equipment Inc relied when designing the Fluid Solutions Services materially change at any time, Ferri Equipment Inc shall notify Customer and request an emergency change order ("Emergency Change Order"). Customer acknowledges that, due to the nature of the Fluid Solutions Services which are tailored to specific information and data, in the event of such material change, it is imperative that Customer immediately respond to any request for Emergency Change Order to avoid a spill or other incident. Therefore, Customer shall designate one or more authorized representatives who will be available to Ferri Equipment Inc 24/7/365 to respond to such requests. Customer agrees that the

verbal or written approval (whether by email or text or other document) of such designated representative shall be binding and shall be subject to the terms and conditions set forth in the Agreement.
